

# 2021 Bannock Street Criterium, in memory of Mike Nields

Saturday July 17, 2021

The Front Rangers Cycling Club, in association with Colorado Women's Cycling Project and Wholesome Masters Racing is excited to bring to you 27th annual Bannock Street Criterium, in memory of Mike Nields. The course this year will be an adaptation of our traditional course in Denver's Golden Triangle neighbourhood; 1.5km in length on closed city streets with six corners and some sweet straightaways.

The City of Denver has lifted its Covid rules for races and gatherings. However, we encourage all riders and staff to wear masks when in any public area, and to maintain proper distancing as possible. Please use the provided hand sanitizer before filling out a waiver, before and after the restroom, and anytime you feel the need to do so. At registration, we will require spacing while waiting in line, and ask that you have a check filled out, or exact cash to limit interaction. Most everybody is familiar with the Covid precautions and we ask that you use your best judgement when participating in the event. Pre-registration is strongly encouraged for riders.
