RACE COURSE INFORMATION

- **XC Course:** One lap of the trail is ~13 miles with ~1200' of elevation gain. It is mostly single track with some Pike's Peak scree and a bunch of sand. Course marshals will be at each road crossing, but still verify clear before crossing. Trail will still be open to other trail users, so please be courteous. Feed zone is just north of Academy drive on course for MA/WA/M. Feeding also permitted north on Academy where the course crosses on the east side.
- **Men A:** Riders will complete two full laps of the trail with no deviations.
- **Men B/Women A:** Riders will complete 1.5 laps with a detour off the main trail to create the half lap. Riders will stay on the dirt shoulder up Academy, cross onto the pavement just East of interior and ride the pavement before turning right onto the Falcon trail
- **Men C/Women B/C:** Riders complete 1 full lap with no deviations

See the course map below for more details.

STXC Course: Short track will be hosted on the North side Academy Dr. as depicted in the course map below. (Map subject to change, current as of 14 Sept 2021).
